Entries close Monday 25th September 2017

When entering a team list, please advise whether you wish this list to be entered as a team from your Club, or if you wish to split some or all of the players into other teams for strength purposes.

If your Club is entering players or a team into A Reserve or A Grade, please make them aware of the following:

- **A Reserve** report time 12 noon for 12.15 pm latest start of play - \$2 for turnstile, \$4 match fee
- **A Grade** report time 1.15 pm for 1.30 pm latest start of play - \$2 for turnstile, \$5 match fee
- **Tennis attire must be worn** during competition tennis – no singlets, non-tennis branded shirts or running shoes which could mark the courts.
- **A Team Captain or Manager** is required for **every Open Grade team**, to arrange each Saturday's team by the preceding Wednesday. Texting and emails makes this easy. Try and arrange the next week in advance while playing the current Saturday.
- **A Duty Team will be rostered** for each Saturday and a responsible adult will be expected to:
 - a) Arrive early
 - b) Collect monies in full from every team and mark off on teams' sheet
 - c) Give out match balls after both teams have paid all their match fees
 - d) Ensure play has started on time
- **Each Saturday a 5th team member may be used** to play either singles or doubles only. Score sheets must be completed before play starts and opposition team advised.
- **Playing order must be in Configure Ranking order** from top to bottom for singles, with the number one player playing in top doubles with any of the other players.
